

## Health Care Without Walls

Compassionate care for women and families in need

### A Message to Our Health Care Without Walls Community

After careful consideration of several very qualified applicants, and with a focus on the future, it is with great pleasure that the Board of Directors announces the new executive leadership of Health Care Without Walls.

Jessica Peters, MD and Mary Grant, MS, RN will serve as Co-Chief Executive Officers of Health Care Without Walls. Jessica Peters will also serve as our Chief Medical Officer.

The core mission of HCWW is to provide health care and other services to homeless and marginally housed women and their families. The need for these services has never been greater, and the dedication of HCWW to fulfilling this mission has never been stronger. Roseanna Means, MD began this journey many years ago, and HCWW looks forward to continuing this critical work in a way that meets the evolving needs of our vulnerable clients.

As we make the significant transition to new executive leadership for HCWW, our priority is to both maximize continuity and stimulate innovation. The HCWW Board of Directors believes Dr. Peters and Ms. Grant are the right executive leadership team to achieve this balanced transition. They have knowledge of the organization and the professional experience necessary for success. We are excited about their vision and look forward to working with them—and with all of you—to write our next chapter.

Dr. Peters has many years of medical practice experience, both as an emergency room physician and more recently as Associate Medical Officer for HCWW. In recent months, she has served with distinction, strategic vision and passion as Interim Chief Medical Officer for HCWW. Her insights, talent and energy will serve us well as we reaffirm the core mission of HCWW, while also expanding and diversifying its programs.

Ms. Grant is a career-long nurse leader, with an emphasis on delivery of mental health services to medically vulnerable populations. She is a former Massachusetts State Representative and, in her four legislative terms, held leadership positions in the House related to health care policy and finance. As one indication of her selfless dedication to HCWW, Ms. Grant volunteered to step away from a leadership position on the HCWW Board of Directors to serve in recent months as Interim CEO. We are grateful that she is willing to continue her service to HCWW as Co-CEO.

Please join us in congratulating Dr. Peters and Ms. Grant. We thank you for your continued support of — and involvement in — HCWW, as we work together with strength and determination to improve the lives of many in our community.

We look forward to seeing you at the West St. Clinic Open House on Friday, April 29.

Anne M. Murphy  
Chair, Board of Directors
